Good Cajun Eats -- Jambalaya!

Jambalaya, hush puppies, gumbo, fried catfish, pecan pie and hot music...that sounds like a recipe for a steamy night on the bayou. That's just what Tom Smith and his down home cajun cooks are whipping up for Louisiana Saturday Night. The fun begins at 6 p.m. at BPOE #2210! Victules include all of the above for: Jambalaya-cup, \$2.50, bowl, \$4; Gumbo-cup \$3, bowl \$4.50; Catfish dinner-\$6; Cajun Sampler (a bit of each)-\$8.50. To top off a great meal we offer a slice of pecan pie for \$2, alamide just a dollar more. For just an evening of soulful R&B as well as sizzlin' jazz, the cover charge is \$12. **Tunes by Kelly Thiebodeaux and the Wildcats.** The festivities include a 50-50 pot and various drawings.

E.R.'s Message

Well, summer has officially ended, and fall is coming into its own. If spring is eternal what is fall? Just thought I would ask that question...

With summer's end came a successful and incredibly well done Oktoberfest. If you see our Leading Knight, **Steve Armbruster**, and the people who helped, pat them on the back and congratulate them for the great job they did. Oktoberfest food booth always is a time consuming task which someone must undertake every year and this year Steve did an awesome job.

Another outstanding example of volunteer work that occurred during the past month was the car wash put together by **Vickie Raborn**. Vickie just approached me with the idea of a car wash to raise money for the kitchen update fund, a fund that we desperately need money for. She got all the volunteers together and proceeded to have an exceptionally successful day. From all accounts Vickie and her volunteers did a great job, as one put it, they did a more professional job than most professional car wash outfits. Thank Vickie for the work and setting a great example. Great ideas and help are not only highly sought but in great demand at the lodge. Please help, YOUR Lodge needs it.

Jumping head long into October we have Louisiana Saturday Night coming up. It is a great fund raiser for the lodge and a great recruiting tool we are going to use to bring in new members. **Tom Smith** has already done a great job heading, planning and putting the event together. Last year's event was the talk of our district meetings and this year promises to be even better. When Tom does something it turns out great, something to see and enjoy. It is entertainment well worth the cost!

Remember to look at your calendar for more events, like Monday Night Football (run by volunteers), Tuesday night Blackjack (run, again, by volunteers), Thursday night Poker (run, again, by volunteers) and Darts (run by volunteers). Also check out the menu! We have gone to a multiple choice menu on most nights and October is promising to be a great dining experience. By the way, if you are interested in cooking a dinner please leave me a message at the lodge. Oh, before I forget, we are looking for someone to cook a dinner on Oct. 31, Halloween night dinner. Please let me know and we can make it a fun experience.

Remember to update your email address with the lodge office so we can email you in regards to upcoming events and schedule changes. It's important.

Elkettes News

Dear Elkette Sisters,

Well, summer is over and autumn is upon us.

We are going full speed ahead planning our Tea Party on Oct. 24. The ticket cost is \$15, which includes sandwiches, salad, dessert, and of course tea, all served by our wonderful Elk officers! Let's all try to make the Tea Party a great event. Thanks to all of you for all the help. There are so few of us now that we all have to pitch in to make our events a success.

As my husband, Steve, said to me, even though we are a small group, we raise a lot of money for the lodge and charities through our events.

I want to thank **Josh Barnett** for his informative talk on identity theft, a major problem everywhere.

Our servers for our Oct. 6 family night will be **Diane Roth** and **Sandi Ritchie**. **Daryl Foti** and **Louise Vachter** will supply the refreshments for our Oct. 13 meeting.

Lecturing Knight

This is mostly a thank you note to all the people who are involved in your Elk activities. Involvement includes helping plan and carry out all of the activities and participating by eating the food or dancing the dance or singing the songs. Attending meetings is high on the list of participating in your Elk's success.

I want to thank the volunteers for the Oktoberfest food booth. This is the most sign ups and participants that I can remember. I was fortunate to get a chance to work with some brand new food booth volunteers, **Ken** and **Sharon Alt**. They did a terrific job. The event was well organized by your Leading Knight **Steve Armbruster** and he was well supported by his wife **Irene**. There are many others who deserve recognition but the list is too long for this note.

The North Central golf tourney was a success, especially the lunch prepared by **Marlene Cowlshaw**, **Rosalie Leabo** and **Judy Berry**. **Alan Day** cooked some fine burgers and dogs.

Preparing meals in our kitchen has been made much easier by the bright lights, thanks to **Don Roth** and crew. Thanks also to **Don Roth** and **Carolyn Pike** who bailed me out of a tight spot on Tuesday chicken night. I heard there was going to be a very special prize for the member who brings in the most new members before April?

Thanks again to all who participate in **YOUR** Elk Lodge activities

A note of thanks!

I would like to express my thanks to Don Roth and his partner for all the new lighting in the kitchen, it is wonderful and very helpful. I would also like to thank Carolyn Pike for all her help on the broasted chicken nights.

Marlene Cowlshaw,
Lodge Secretary

Leading Knight

I am writing this article at 10 pm on Sunday night after a long weekend of working the Elk's food booth at the annual Oktoberfest celebration in Mount Angel. It was a very busy weekend, and it seemed like I never stopped running. What with picking up supplies from Cash and Carry in the morning (sometimes twice a day), slicing onions and tomatoes, running supplies from the lodge to the booth, and working a couple of shifts, I am ready to sleep for a couple of days.

The event would not have been a success without all the volunteers who volunteered to work shifts, help with the setup and teardown, and help with prep at the start of the day. Special thanks to **Guy Smith** for getting the food booth towed over and set up and bringing it back to the lodge Sunday night after working a last-minute, fill-in shift. Thanks to **Milt Kintzley** for overseeing the first shift of the festival (which requires a lot of extra work). Thanks to all the volunteers who manned the booth and served a ton of customers.

I don't know yet what the total sales for the event were, but we ran out of burgers at about 7 pm Sunday and had to shutdown an hour early (which by that time was good news for everyone!).

I would like everyone to mark their calendar for the Purple Ball on Saturday night, Nov. 21. We have booked Brady Goss to perform that evening. Brady is the young piano player/singer who performed a few months ago with Marty Davis at the Marty Davis Show, and literally stole the show. He is definitely a talented performer and I think he will help make the Purple Ball a memorable event.

I think I'm going to collapse into my bed now and sleep for a long time. Oh, I forgot I have to get up at 6 for work tomorrow. Maybe I can get some rest next weekend. I guess that's the price I have to pay for the honor of being an officer of our Lodge.

Hope to see you all at the Lodge.

Yours exhaustedly,

Steve Ambruster
Leading Knight
